

# ANNUAL REPORT

Fiscal Year 2016-17

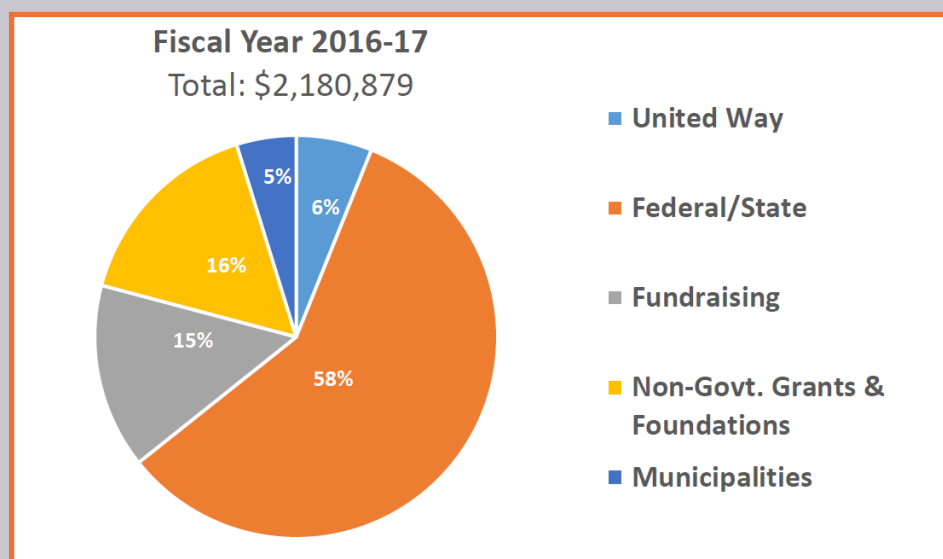

Mary-Jane Foster  
President & CEO

This year, 2017, marked the 40<sup>th</sup> year in the existence of Interval House. We celebrate the life-changing work we do and we celebrate the more than 230,000 women, children (and yes, men) whose lives have been changed and even saved by the work of dedicated staff and volunteers. We celebrate the strong and visionary women who founded Interval House and all those who have contributed, in any way, to the success and longevity of this remarkable organization.

Our services bring clients from all 24 towns and cities we serve in the Greater Hartford region. In the last year, we provided advocacy and support services to nearly 20,000 victims of intimate partner abuse. We change lives for residents both in our safe house and in our work with community clients. Case management for all of our clients -- safety planning, counseling, support groups, advocacy in the criminal and civil courts and referrals for additional needed services -- result in lives that can be lived free of fear and violence.

The communities we serve, the women and children we work with, the dedicated staff, our partners in government and foundations and all of our contributors -- together -- give life to Interval House. We are grateful for the support and inspiration all provide.
