24-Hour Hotline: 860-527-0550

Just over one year ago, a torrential rain and failed sewer line flooded our safe house basement. More than two feet of contaminated water surged through our children’s program area and advocates’ offices, leaving in its path total destruction and forcing us to temporarily close the building. We were challenged to quickly and confidentially relocate safe house residents and staff.

The catastrophe—only partially covered by insurance—sent us scrambling to find hundreds of thousands of unbudgeted dollars to fix the problem.

Thanks to quick thinking and the generosity of The William & Alice Mortensen Foundation, the Hartford Foundation for Public Giving, the State of Connecticut, the Connecticut Department of Social Services, AND ALL OF YOU who opened your hearts and checkbooks, we were able to perform a full abatement of moisture and mold, repair and replace the plumbing and walls, and refresh the space with bright furnishings.

The restored basement is home to a new art and music therapy program, funded by The Petit Family Foundation, which is helping children affected by abuse find their voice. Currently, the kids are decorating the walls with words they’ve chosen, like “Happy,” “Dream,” and “Courage.”

THANKS TO YOU, kids at Interval House have a joyous place to play. A place to dream, be happy, and find courage and strength.
MEN AGAINST DOMESTIC VIOLENCE MARK DECADE OF SERVICE

They’ve raised money, public awareness, and the bar as men in the cause against domestic violence. This September, Men Make a Difference, Men Against Domestic Violence™ turns 10 years old.

In 2009, when then-Attorney General Richard Blumenthal met with Interval House officials to create a men’s campaign against domestic violence, the concept was simple: recruit influential, well-known Connecticut men to represent Interval House and serve as role models to young men and boys in the community. Fast forward a decade, and the group is 30 men strong, including Senator Blumenthal, Attorney General William Tong, State Representatives Julio Concepcion and William A. Petit, Jr., and Team USA Olympian Donnie Cabral, among others.

Since its inception, the group has raised hundreds of thousands of dollars, spoken to countless numbers of area residents about domestic violence and dating abuse, and disseminated tens of thousands of pieces of educational materials. Not only has Men Make a Difference lasted, but it has grown and is stronger than ever. Just this February, members held their 2nd Annual “Love Shouldn’t Hurt” press event on Valentine’s Day to increase awareness and rededicate themselves to the cause.

“For 10 years, through community outreach and collaboration, Men Make a Difference, Men Against Domestic Violence™ has helped break the pattern of abuse that has devastated lives and whole communities,” Senator Blumenthal said. “I’m proud of our accomplishments and look forward to many more years of helping to make a difference.”

Legacy Donor Margaret P. Levy

Elizabeth Gray is a donor of a different sort. She creates beautiful textiles from donated fabric at the Tolland Senior Center. Feeling compelled to help Interval House because of her own experience with abuse, she has donated several quilts for safe house residents and also recently gave a beautiful crocheted afghan to Interval House.

GIFT CARD DONOR Roseanne Sapula and Mary-Jane Foster

Gift card donors are a powerful and direct way to support Interval House. Roseanne Sapula and Mary-Jane Foster have donated gift cards to cover clients’ needs for groceries, medicine, home goods, clothing, and transportation, and so they invited and asked friends to select a number of cards from her backpack. Roseanne, your generosity is contagious—thank you for thinking of us!

Last Fall, Mary-Jane Foster sat down for lunch with Roseanne Sapula, an honorary member of the Rotary Club of South Windsor and recipient of their “Be the Inspiration” award, which called her to pay it forward by presenting her neighbors with gift cards from local retailers. She heard that Interval House accepts gift cards to cover clients’ needs for groceries, medicine, home goods, clothing, and transportation, and so she invited and asked friends to select a number of cards from her backpack. Roseanne, your generosity is contagious—thank you for thinking of us!

Ask anyone in the nonprofit sector to describe their ideal donor and they will probably say, “cash contributor.” While it is undeniable that supporters with the capacity for larger or recurring financial gifts are critical to the health of an organization, we at Interval House rely on a variety of sizes of gifts to keep our lights on. In this edition of New Beginnings, we want to spotlight some of our amazing donors, and the conventional—and sometimes unconventional—ways they help us!

We were thrilled when Margaret P. Levy, longtime Interval House supporter and former co-chair of the Board with Diane Goldsmith, approached us recently to tell us she had made a bequest to Interval House in her will. Margaret’s planned gift will be released to Interval House when her estate is settled, according to her wishes. “Although I am in good health now, I want to be sure that after I am gone Interval House can continue the good work we started many years ago,” says Margaret. Gifts like Margaret’s mean so much—they are vital to the future of our agency, ensuring that funds are available for operations years down the road. Thank you, Margaret!

Dawn Andresen is the chair of Interval House, but her service on the Board is only a fraction of what she does for the agency. In March, Dawn organized a successful fundraiser for Interval House at Bistro on Main in Manchester. Four courses of delicious fare prepared by Executive Chef Ben Dubow, wine pairings by Jim Donahue of Winam Wines, and silent auction and drawings raised nearly $5,000 for our mission. Third-party events like Dawn’s are completely planned by donors, with the proceeds coming to Interval House, and are a fun way to support us. We are so grateful, Dawn!
