**TO A SURVIVOR  
THIS HOLIDAY SEASON**

Gift cards are one of the most powerful things you can give a survivor of domestic violence. With a gift card, they can select the gifts they will give their kids or prepare a holiday meal that is meaningful for their family. Gift cards are also the most discreet and flexible way for us to help clients who are actively in transition from a violent home.

**INTERVAL HOUSE IS SEEKING GIFT CARDS IN \$10, \$25, AND \$50 INCREMENTS FOR OUR CLIENTS:**

VISA gift cards are the most helpful; they can be used at any retailer.

Walmart & Target gift cards allow one-stop shopping for food, clothing, toys and personal items!

Grocery gift cards offer daily nourishment or fixings for a culturally-appropriate holiday meal.

Pharmacy gift cards provide quick essentials in every neighborhood.
