# RECOMMENDED DONATION PARTNERS

Interval House focuses primarily on safety interventions and supporting clients with resources and tools to move on and live their lives independently. To maintain the confidentiality and comfort of our clients at our Safe House, we do not accept in-person donations of clothing and accessories, furniture, appliances, household goods, toys, books, or hygiene items. Instead, we refer our clients to the many organizations in our region whose mission it is to collect and distribute items to those in need. Some local places that accept donations of goods are:
